Economic Resurgence Plan

The Sunshine Coast Economic Resurgence Plan is a key element of Council's economic stimulus package to re-energise the region's economy as it seeks to recover from the impacts of novel coronavirus (COVID-19).

This plan aims to support the development of shovel-ready construction and/or job-creating projects and fast-track them over the next 18 months and complement other State and Federal Government stimulus programs. Eligible projects will be considered from 1 July 2020 to 31 December 2021.
