Safety and Conduct

Ride Safely
- Wear an approved helmet and Slip, Slop, Slap
- Take plenty of drinking water and a mobile phone.
- Plan ahead - Ride with a friend and let someone know where you are going and your expected return time.
- Know your location at all times. On unsigned tracks take a map, a compass and/or a GPS with spare batteries
- Ride within your ability and according to conditions.
- Please do not ride any more than two abreast along constructed roads (section 157 Traffic Regulation 1962).
- Obey all safety and warning signs.
- Dismount and lead your horse across bridges.
- Have contingency plans for breakdowns and other emergencies and be aware that mobile phone coverage is often unavailable.
- Control your horse at all times. If your horse is overly agitated dismount and walk for awhile with your horse, stay relaxed and calm.
- Due to obstacles riding at night is not recommended.
- It is recommended horses are shod.

Multi Use Trails
- Both horse and rider must be experienced before attempting to ride on any of the trails as other trail users and obstacles will be encountered.
- Please note all trails listed are shared with walkers and mountain bike riders, and some are also shared with 4WD and trail bike riders.
- If you hear a trail bike coming your way, stop on a section of track that has good sight distance so the trail bike rider can see you and have enough time to stop. Dismount if your horse is agitated.
- To avoid placing another person in danger ensure horses are under control or securely tethered at all times.
Code of Conduct

Keeping trails open and the land owners/managers happy depends on you:

- On signed trails, please follow the directions and do not ride into neighbouring private land.
- Obey all notices and signs.
- In a state forest, forest reserve or protected area ride on formed management roads or areas designated for horse riding and please do not allow horses to remain overnight other than in designated areas.
- Avoid taking shortcuts or forming new trails.
- Avoid riding during or immediately after wet weather conditions.
- Take all rubbish with you.

To protect watercourses:

- Only cross at designated crossing points on the trail.
- Use designated watering points to water horses, where they are provided.

Avoid the spread of weeds:

- Provide weed-free, good quality, processed feed to horses at least 48 hours prior to entering a forest reserve or protected area.
- Ensure that horses’ coats, hooves, equipment and floats are clean and free of seeds.

In national and conservation parks:

- Horse riding is permitted on designated QPWS horse trails and road reserves only.

In state forests:

- Give way to logging trucks.
- Be aware that state forests are commercial forests. For your safety comply with any restricted access or road closed signs at all times. At all times, day and night, individuals must be aware of log trucks, commercial forestry machinery, forestry vehicles and other road users.
- Horse riding along fire lines and tracks is permitted unless otherwise signed.
- Unlawfully constructing tracks or modifying roads, tracks or fire lines is strictly prohibited, as is the lighting of fires at any time.
- Be aware that forest roads could be closed during periods of adverse weather conditions or when public access presents an unacceptable safety risk (such as during commercial forest harvesting or high fire danger).

IN THE EVENT OF AN EMERGENCY TELEPHONE 000 or 112 FOR ADVICE.

Noosa Trail Network

Kin Kin, Cooran, Cooroy, Pomona and Lake Macdonald

Trail Head Location: Kin Kin, Cooran, Cooroy, Pomona, and Lake Macdonald.

Directions: Obtain a copy of the Noosa Trail Network brochure from a Sunshine Coast Information Centre, by phoning council’s customer service centre on 07 5475 7272 or by visiting www.sunshinecoast.qld.gov.au

Highlights: The Noosa Trail Network is a series of 8 trails linking the towns of Kin Kin, Cooran, Pomona and Cooroy, and the areas of Lake Macdonald and Cootharaba. Camping is permitted, and other forms of accommodation are available, at different locations along, or within close proximity to the trail, so allow yourself a few days to explore the trails which vary both in length and difficulty. Float parking is available at the trail heads situated along the trail.

Enjoy riding through open eucalypt forest, dense rainforest and the evergreen countryside of the Noosa hinterland. There are fabulous views available at each of the five lookouts located along the trail.

Note: The Noosa Trail Network is suited to experienced horses and horse riders only. On the trail you will ride along roads shared with vehicles, cross small wooden bridges, cross over and under railway lines, open and close gates, encounter trail bikes, mountain bikes and bush walkers. (Registered trail bikes with licensed riders are permitted in some areas of the state forests).

Please take the time to make sure your horse is desensitized to trail bikes and mountain bikes before attempting this trail.

For more information or to download a map visit: www.sunshinecoast.qld.gov.au

Image: View to Mount Pinbarren, Noosa Trail Network, Trail two.
This map is a guide to the Noosa Trail Network coverage only. Before attempting any of these trails obtain a copy of the Noosa Trail Network brochure.

Signed tracks pass through national parks, conservation parks, forest reserves and state forests.
Noosa North Shore

Trail Head Location: Beach Road, Noosa North Shore.

UBD Map Ref: Map 2, M18

GPS Co-ordinates: Lat. -26.353295  Long.153.046675

Directions: From Tewantin follow signs to the vehicle ferry located at the end of Moorindil Street. Cross the Noosa River and follow Maximillian Road to the extended parking bays at the end. Alternatively, turn right onto Beach Road and park floats adjacent to the under-body car wash. No floats are to be left in front of the Equestrian Centre or in front of the Noosa North Shore Resort areas.

Highlights: This is the only location on the Sunshine Coast where horse riding is permitted on the beach. Follow the horse signs from the car wash area 2.5km direct to the beach or enjoy a 10km circuit encompassing a sandy track to/from the beach, the beach between first and third cutting, and a wide, often boggy and wet, track under power lines through the low lying coastal heath. This circuit is best ridden in the winter.

Day use and overnight stables are available for hire from Equathon at the Noosa North Shore Equestrian Centre. For bookings phone: (07) 5474 2665, 8am to 5pm, 7 days a week.

There are also camping facilities and overnight units available from the Noosa North Shore Resort. For bookings phone: (07) 5447 1225.

Note: The beach is also a road where vehicles travel up to 80km/hr, so make sure your horse is desensitized to cars before attempting to ride on the beach. To protect migratory birds, horses are not permitted beyond the closed beach sign at the river mouth.

Trail Head Location: Mary River Road, Cooroy.
UBD Map Ref: Map 14, P2
GPS Co-ordinates: Lat. -26.413884  Long. 152.892664
Directions: Follow signage into the township of Cooroy. The post office and RSL club located on Maple St will be on your right. Continue straight ahead onto Mary River Road. After crossing the Six Mile Creek turn right at “The Plantation” driveway into the Noosa Trail Network float parking area.
Highlights: Noosa Trail Network trail 8 provides an 11km one way link from this float parking area directly to the township of Pomona. There is a hitching rail located behind the historic Pomona Hotel, so you can enjoy something to eat and drink before returning. There are many other forest tracks able to be explored within Yurol Forest. Combine them to make your own ride (a map and compass or GPS are recommended). The forest contains a nice mix of pine plantation and natural vegetation with the relatively flat tracks weaving beside creeks and through the forest. A large power line segments the forest, providing a clear open area for riding and is good to use as a landmark.
State forests have limited signage and a GPS or map and compass are recommended. The forests are multi-use areas and you may encounter vehicles, logging trucks, trail bikes, mountain bikes and bush walkers on your ride.

Ringtail State Forest, Cooroibah

Trail Head Location: Ringtail Creek Road, Cooroibah.

UBD Map Ref: Map 1, L18

GPS Co-ordinates: Lat. -26.349385  Long. 152.964745

Directions: From Cooroy follow signs to Tewantin. From the Cooroy Noosa Road, turn left into Butler Street and left again into McKinnon Drive. Drive approx 10kms and turn left into Ringtail Creek Road, approx. 300m along there is a large cleared area to park on the right hand side. Alternatively travel a further 1.3km along McKinnon Drive and turn into the second forestry track on your left and park on the grass in this wide flat area.

Highlights: There is an extensive network of tracks located within the flat pine plantations and the hilly natural forest areas of this forest. The Noosa Trail Network also passes through this forest. Trail 7 provides a link between Ringtail and Yurol State Forests. Take precautions to avoid getting lost.
Woondum National Park, Traveston

**Trail Head Location:** Old Noosa Road, Traveston.

**Traveston UBD Map Ref:** Map 3 K1 (beyond limit of maps)

**GPS Co-ordinates:** Lat.- 26.313672  Long.152.791000

**Highlights:** This forest is a nature lovers delight, with tree ferns, staghorns, elkhorns and palms in abundance. At the top of the range there are fantastic views of the coast, the Noosa North Shore and Noosa Hinterland to be enjoyed, you may also find trail 3 of the Noosa Trail Network which links Kin Kin and Cooran via James McKane Memorial Lookout where toilets and picnic tables are provided.

**Directions:** From the Bruce Highway heading north towards Gympie turn right onto the Traveston-Cooran Road and left into Howe Road (located almost opposite the tennis courts). Turn right into Old Noosa Road, after approx. 200m the road widens just before the entrance to the forest. Park here or drive into the forest where there is room for two floats at a turn-around area after approx. 100m. This forest can also be accessed by following the Noosa Trail Network from either Kin Kin or Cooran.

Tewantin National Park, Tewantin

**Trail Head Location:** Wooroi Day-use area located off Cooroy-Noosa Rd, Tewantin.

**UBD Map Ref:** Map 7, F17

**GPS Co-ordinates:** Lat. -26.400046  Long. 153.0009347

**Directions:** Park at the Wooroi Day-use area. Tracks are located in the national park on both sides of Cooroy-Noosa Road.

**Highlights:** Ride through a mixture of rainforest, open eucalypt forest and wallum remnants which are protected in this hilly near-coastal forest. Glimpses of the coast are provided through the trees as you ride up the range towards Sunrise Road.

Mt Tinbeerwah (265m) is a volcanic plug remaining from volcanic activity millions of years ago. The forest is home to the endangered Triunia robusta, a straggly, multi-stemmed small tree with white flowers and red fruit.
Mapleton National Park, Mapleton

Highlights: The tracks in Mapleton National Park are generally either uphill or downhill which ever way you go. Enjoy a ride from the carpark areas listed below up to Point Glorious lookout where fabulous coastal views can be enjoyed. There is a hitching rail, picnic table and a toilet at the lookout.

Trail Head Location: Belli Creek Park, Mapleton.
UBD Map Ref: Map 34, G1
