

**Mooloolaba Transport Corridor
Upgrade (MTCU) Project**
Stage 1b – Walan Street, Mooloolaba

Project number: H9272

Notice to residents & businesses
Night works - upgrade of Walan Street and Naroo Court intersection
Wednesday 25 November – mid December 2020. 6pm – 6am.
(weather & site conditions permitting)**New signalised intersection
construction**

As part of the Walan Street upgrade works a new signalised intersection at Walan Street and Naroo Court is being constructed.

It will include:

- new traffic signals
- formalised pedestrian crossings across Walan Street and Naroo Court with pram and disability compliant access ramps and treatments
- new median strips for safety.

To minimise inconvenience to the community, particularly when Walan Street reopens to through traffic later this month, some of the intersection construction works will take place at night.

Please see figure 1 on page 2 for the location of these works.

NIGHT WORKS**Wednesday 25 November to mid-December 2020. Sunday to Thursday nights from 6pm – 6am (no Friday or Saturday evenings)**

Construction activity will include underground water main and stormwater works and the installation of traffic signals across the intersection area.

Where possible noisier works will be scheduled between 6pm and midnight.

**Temporary changes to local traffic
conditions and construction works**

Access will remain to residences and businesses during these works, via traffic control when necessary.

The construction team will liaise with directly affected residents and businesses.

What to expect during these works?

Large machinery will be in operation.

During night works, lighting towers will be in use for safety reasons. Reversing beepers and flashing lights are a safety requirement.

Construction noise is to be expected.

The construction team will try to mitigate noise impacts wherever possible to do so including employing the use of noise curtains where workable and safe.

Emergency vehicle access

Emergency vehicle access will remain in all areas under traffic control.

Register to receive project updates

To receive regular project updates throughout the construction period, please register your contact details by emailing your details to
