

**Mooloolaba Transport Corridor
Upgrade (MTCU) Project**
Stage 1b – Walan Street, Mooloolaba

Project number: H9272

Notice to businesses and residents
Walan Street road works – between Naroo Court and Venning Street
Wednesday 7 and Thursday 8 October. Day works 6.00am – 6.00pm
(weather & site conditions permitting)**Road profiling**

As part of the MTCU project and the widening of Walan Street from two to four lanes, the current road pavement must be removed and replaced with a new pavement and asphalt (bitumen) road surface. This process takes place over several stages to ensure the road is safe and durable.

Please see the map on **page 2** for the location of these works.

What we are doing during these works

The layers of road pavement on Walan Street, between Naroo Court and Venning Street will be removed in preparation for new road pavement construction.

Following these works new pavement will be constructed using road base and asphalt materials. A final asphalt (bitumen) layer is applied at the end of the project.

Temporary changes to traffic conditions - including on-street parking and residents' vehicles

Construction contractors will start closing off on street parking in this area during the afternoon of Tuesday 6 October. All vehicles must be removed from Walan Street by 6am Wednesday 7 October. Alternative parking will be provided. Construction crews will liaise directly with residents requiring access to their vehicles during these works.

Emergency vehicle access: Emergency access will remain under traffic control.

What to expect during these works

Audible noise: Heavy machinery will be in use. Nearby residents should expect audible noise including saw cutting and scraping of the road surface. Reversing beepers and flashing lights are a safety requirement.

Dust: Dust mitigation measures will be used however for residents with dust sensitivities, please close your windows and doors and put air conditioning or fans on.

Traffic control and changes to traffic conditions: Changed traffic conditions including a temporary half road closure and traffic control in place.

Register to receive project updates

To receive regular project updates throughout the construction period, please register your contact details by emailing your details to: mooloolabatransportcorridorupgrade@sunshinecoast.qld.gov.au
