

Landsborough

Cribb Street Streetscape Stage 1

Project number: P-H1246

Cribb & Mill Streets - two-way traffic recommencing Friday 18 December by 5pm

Night works – one night this coming week TBC (weather dependent)

Stage 1 of the \$3.3million Cribb Street upgrade is almost complete.

As we prepare for the reopening of Cribb and Mill Streets to two-way traffic on Friday 18 December, some final road resurfacing (asphalt) works will be undertaken one night over the next week TBC (weather dependent).

Night works – road resurfacing

Final asphalt (bitumen) road resurfacing works will take place in Mill Street and the Landsborough Railway Station carpark one night this coming week.

These works are weather dependent. We will advise the community of the date of these works in advance.

Traffic control, including the current temporary one-way traffic and detour routes will be in place during this time.

Cribb and Mill Streets reopening to two-way traffic Friday 18 December by 5pm

Cribb Street and Mill Street will reopen to two-way traffic by 5pm Friday 18 December 2020

Cribb Street works

Minor construction works will continue up until 23 December including:

- final paving works
- landscaping
- installation of new light poles
- footpath works in railway station park
- installation of street furniture

Footpath and landscaping works will also continue in the railway station park area through to January 2021.
