

## Landsborough

### Cribb Street Streetscape Stage 1

Project number: P-H1246

#### RESCHEDULED night works

#### Landsborough Railway Station entry road, Cribb Street

**Monday 13 – Friday 17 July 2020 (weather and site conditions permitting)**

As detailed in our last construction update dated 22 June, nightworks were originally planned for the 7-10 July.

This week's wet weather conditions have seen these works rescheduled for next week. Please see further details below.

#### **Monday 13 July - Friday 17 July. 7pm - 5am. Railway Station entry road, Cribb Street**

Road works are planned for the entry road to Landsborough Railway Station. To minimise inconvenience to train passengers these works are taking place at night.

Vehicle access will remain to the station under traffic control. Under the current changed traffic conditions all traffic exiting the station must head north up Cribb Street or west into Mill Street

Signage, traffic control and detours will be in place to assist motorists.

See the **map below** for further information.

#### **Register to receive construction updates**

To receive future updates please email your name, business name (if applicable), address, phone number and email address to:
