

Landsborough

Project number: P-H1246

Cribb Street Streetscape

Notice to residents and businesses

Night works, Thursday 4 June 2020, 7pm – 5am

(weather and site conditions permitting)

As part of Stage 1 works for the \$3.3million Cribb Street upgrade, some night works are required.

Due to safety reasons and to minimise inconvenience to the community, night works will take place in two locations on **Thursday 4 June**:

Cribb St and Mill St intersection - 7pm – 1am

This work will involve excavating a section of the road surface, installing new electrical and communications conduits underground, and then temporarily resealing the road section. The Stage 1 section of Cribb Street will be permanently resealed at the end of the project.

Maleny St into Cribb St footpath area - 7pm – 5am

This work will involve the installation of subsoil drainage under the footpath, which will require the use of vacuum excavation. The footpath pavers will then be reinstated the following day. Note pedestrian access will be provided through the work site.

Please see the map on page 2 for the location of Thursday's night works.

What to expect during these works?

Audible noise: Machinery will be in use and nearby residents should expect some audible noise.

Reversing beepers and flashing lights are a safety requirement. Where possible, noisier works will be undertaken earlier in the evening, prior to midnight.

Traffic control and changes to traffic conditions: Changes to traffic conditions including reduced speed limits. Entry into Mill Street will remain available and traffic will be guided through the works by traffic controllers.

Emergency vehicle access: Emergency access will remain available under the direction of traffic control.

Register to receive construction updates

Council's primary method of communicating construction information is via email updates. If you, or someone you know wishes to receive future updates please email your/their contact details including name, business name (if applicable), email address and phone number to:

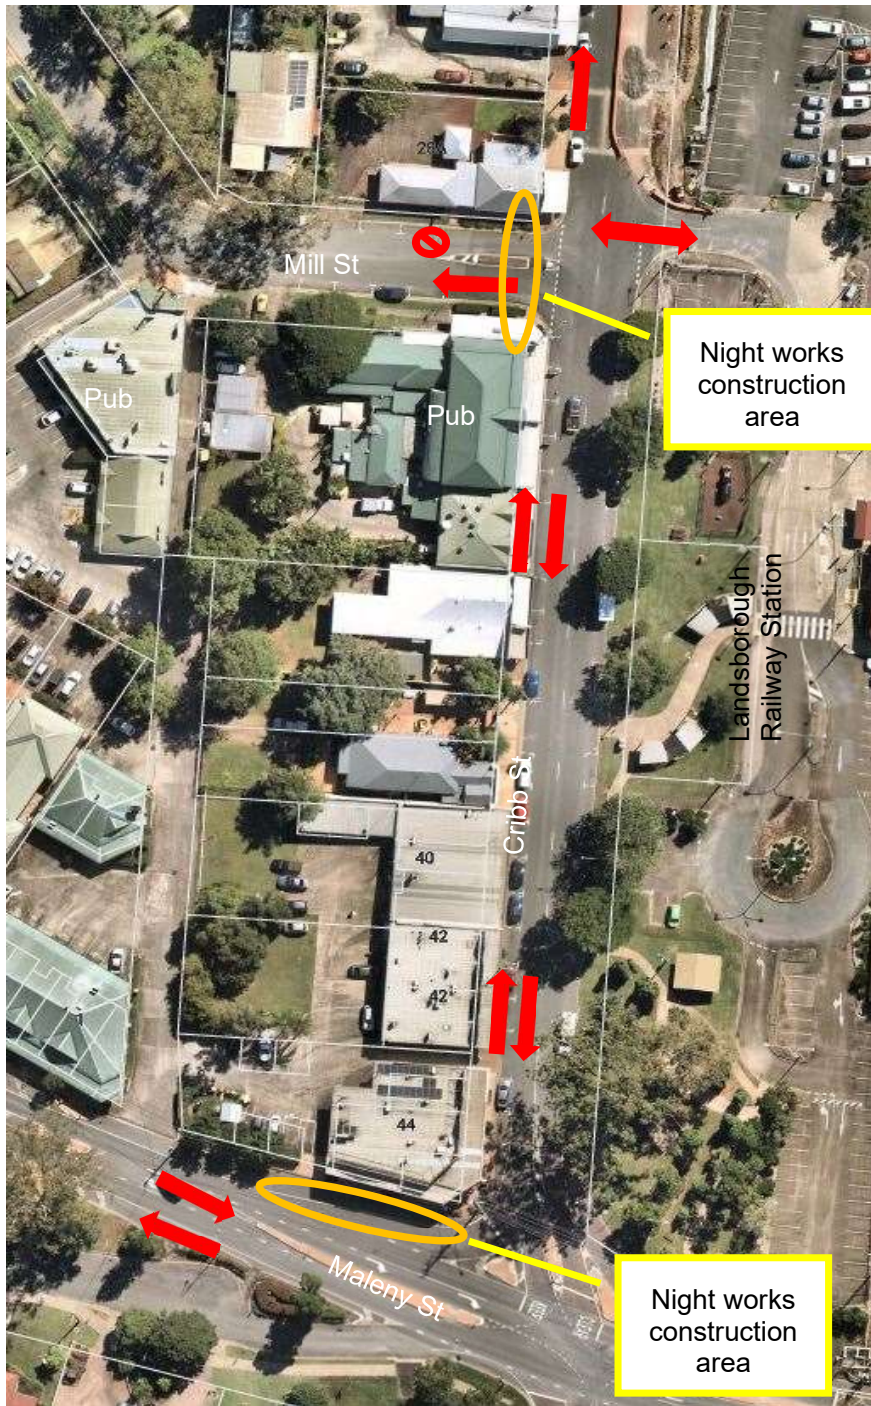

cribbstreetupgrade@sunshinecoast.qld.gov.au

We thank you for your patience and cooperation during these works.
