

## Parklands Boulevard Upgrade Meridan Plains

Project number: H1244

### Night Works

**Wednesday 22 April 7.30 PM – 5.30 AM**

(weather and site conditions permitting)

To progress construction of the Parklands Boulevard Upgrade as quickly and safely as possible, some night works are required. Night works also help to minimise inconvenience to motorists during peak travel periods.

We wish to advise that night works are now scheduled in your area as follows:

**Date:** Wednesday 22 April 2020**Time:** 7:30pm to 5.30am

Where possible and safe to do so, noisier works will be scheduled for earlier in the shift.

**Location:**

Parklands Boulevard and Meridan Way intersection. Refer attached work area map for location.

**For:** trenching of new traffic signals across Parklands Boulevard.

### What to expect during these works

**Traffic control and changes to traffic conditions:**

Changes to traffic conditions will be in place including reduced speed limits and road or lane closures where required.

Meridan Way will be closed for access to and from Parklands Blvd during these works. A detour will be in place via Hamilton St and Creekwood Ave. Delays to traffic are not typically expected for these works.

**Audible noise:** Heavy machinery will be in use and nearby residents should expect some audible noise. Reversing beepers and flashing lights are a safety requirement.

**Temporary lighting:** Generator powered lighting towers will be used to light work areas. Lighting is a safety requirement.

**Emergency vehicle access:** Emergency access will remain available to homes and businesses under the direction of traffic control.

***We thank you for your patience and cooperation during these works.***
