

Community engagement

Community engagement

Council's community engagement is guided by:

- *SCC Community Engagement Policy*
- *SCC Community Engagement: Excellence in Engagement Framework*

The **Community Engagement Policy 2021**– provides direction for council's community engagement activities according to the following principles, where engagement is:

inclusive

innovative

well planned

collaborative

transparent

The **Community Engagement: Excellence in Engagement Framework 2021**– provides a practical guide for implementing best practice community engagement.

The **five stages** of engagement process:

1. Establish the intent

2. Explore the focus

3. Build the plan

4. Implement and monitor

5. Report and evaluate.
