MyMaps Survey

Survey Closes 28 August 2020

<https://haveyoursay.sunshinecoast.qld.gov.au/mymaps>

Council is seeking community feedback regarding the usage of this product for personal and business use. Your views and feedback are essential to help shape the future product.

[MyMaps](#) provides easy access to local maps and layers. You can build your own map of your property or look up community services in your area. The easy-to-use mapping tool has street or aerial base maps that can have layers added to view relevant data you choose.
