

How to update an animal online and request a replacement tag

1. Log in to MyCouncil at <http://mycouncil.sunshinecoast.qld.gov.au>

The Animals tile provides quick links to

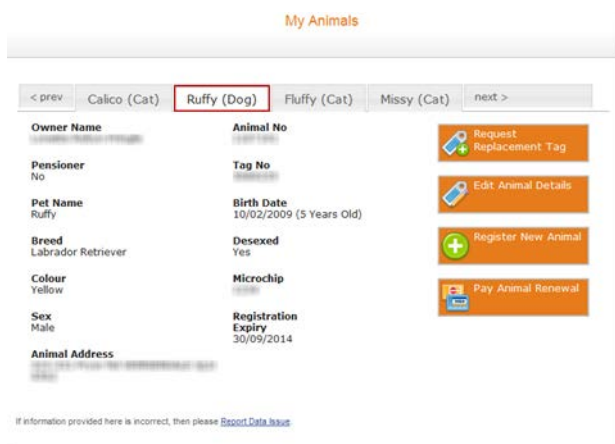

- > [Update/view details for your animals](#)
- > [Request a replacement tag for your animal](#)

(see step 6 for tag replacement)

2. Select Update/view details for your animals

The **MyCouncil Services** My Animals screen displays *with each animal name listed on the tabs*.

3. Select the tab for the relevant animal to view the current details.

Edit Animal Details

4. **Edit Animal Details** – You can only edit the animal details if payment is made and accepted. If you did not supply the desexing, microchip, pension card or class of animal details during registration you can

add these by clicking **Edit Animal Details**. You can also notify council if the animal has passed away or if the animal no longer resides within the Sunshine Coast Council boundaries by clicking **Edit Animal Details**.

- (a) To add Desexing details, tick the Desexed box and add the Vet Name, Phone Number and Address.

- (b) To add Microchipping details, tick the **Microchipped** box and add the Microchip # (Number) and the supplier.

- (c) To add or remove the Pension Card details, tick or untick the **I have a pension card** box. If adding the details you are required to supply the Card # (Number).

- (d) If the animal is now a member of the Canine Control Council (CCC), or Queensland Feline Associations (QFA), or a Racing Greyhound or an Assistance Dog, highlight the relevant **class** and provide supporting documentation as proof.
- (e) To advise council that the animal has passed away, tick **This animal has passed away** box.
- (f) To advise council that the animal no longer resides within the Sunshine Coast Council boundaries, tick **This**

animal no longer resides within Sunshine Coast Council boundaries box.

Check the boxes below to have that action performed when "Update Animal" is clicked.
