

179 West Eumundi Road, Eerwah Vale - Proposed Site Specific Amendment

Council is proposing an amendment to the *Sunshine Coast Planning Scheme 2014*, referred to as the *Proposed Sunshine Coast Planning Scheme 2014 (Major Amendment) - Site Specific and Operational Matters*.

This information sheet provides details on a proposed site specific change to land at 179 West Eumundi Road, Eerwah Vale, as part of that amendment.

What is a planning scheme?

In Queensland, a planning scheme is an important regulatory document that guides growth, land use and development in a local government area.

On 14 April 2014, council adopted the *Sunshine Coast Planning Scheme 2014*. The *Sunshine Coast Planning Scheme 2014* integrates and balances the economic, social and environmental needs and aspirations of the community to provide an orderly approach to land use and change.

What is a planning scheme amendment?

The *Sunshine Coast Planning Scheme 2014* is a living document and is amended from time to time in response to feedback, changing community needs and legislative changes to ensure it is up to date and operating effectively.

The process for amending a planning scheme is prescribed in the *Planning Act 2016* and the *Minister's Guidelines and Rules*.

Further information on the planning scheme amendment process can be found on the

Department of State Development, Manufacturing, Infrastructure and Planning website
<https://planning.dsdmip.qld.gov.au/planning/better-planning/local-planning>

What amendments are proposed?

Council is currently considering a package of proposed planning scheme amendments relating to site specific and operational matters.

The purpose of these amendments is to:-

- (a) amend the zones, overlays and/or precincts relating to a number of specific sites in the localities of Buderim, Chevallum, Dicky Beach, Eerwah Vale, Golden Beach, Kenilworth, Kunda Park, Landsborough, Little Mountain, Maleny, Mount Coolum, Pelican Waters, Witta, and Woombye;
- (b) amend the zone and the Height of buildings and structures overlay for a number of specific sites relating to Educational establishments, Retirement facilities and Residential care facilities, in locations across the planning scheme area;
- (c) reduce the number of building height increments in the Height of buildings and structures overlay, which applies to the entire planning scheme area, which will result in minor changes to the applicable building height limit for certain sites; and
- (d) address other operational matters to improve the clarity and efficiency of the planning scheme.

How does the proposed amendment relate to my area?

The proposed amendment package includes a change to the zoning of land at 179 West Eumundi Road, Eerwah Vale (Lot 13 on RP863238) (the subject land) (identified in **Figure 1** over leaf).

Figure 1: Aerial view of subject land

Why is Council proposing the planning scheme amendment?

Under the *Sunshine Coast Planning Scheme 2014*, the subject land is currently unzoned and does not have a maximum building height limit specified (as shown in **Figure 2** and **Figure 3**). This is considered to be an anomaly.

Figure 2: Existing zoning

Figure 3: Existing maximum building height

What are the details of the proposed amendment?

All land adjoining the subject land is included in the Rural zone with a maximum building height of 8.5 metres.

To correct this anomaly and for consistency with surrounding land, it is proposed to include the subject land in the Rural zone and within the 8.5 metre maximum building height category on the Height of buildings and structures overlay (as shown in **Figure 4** and **Figure 5**).
