

Old Maroochydore Road, Kunda Park - Proposed Site Specific Amendment

Council is proposing an amendment to the *Sunshine Coast Planning Scheme 2014*, referred to as the *Proposed Sunshine Coast Planning Scheme 2014 (Major Amendment) - Site Specific and Operational Matters*.

This information sheet provides details on a proposed site specific change to land at Old Maroochydore Road, Kunda Park, as part of that amendment.

What is a planning scheme?

In Queensland, a planning scheme is an important regulatory document that guides growth, land use and development in a local government area.

On 14 April 2014, council adopted the *Sunshine Coast Planning Scheme 2014*. The *Sunshine Coast Planning Scheme 2014* integrates and balances the economic, social and environmental needs and aspirations of the community to provide an orderly approach to land use and change.

What is a planning scheme amendment?

The *Sunshine Coast Planning Scheme 2014* is a living document and is amended from time to time in response to feedback, changing community needs and legislative changes to ensure it is up to date and operating effectively.

The process for amending a planning scheme is prescribed in the *Planning Act 2016* and the *Minister's Guidelines and Rules*.

Further information on the planning scheme amendment process can be found on the

What amendments are proposed?

Council is currently considering a package of proposed planning scheme amendments relating to site specific and operational matters.

The purpose of these amendments is to:-

- (a) amend the zones, overlays and/or precincts relating to a number of specific sites in the localities of Buderim, Chevallum, Dicky Beach, Eerwah Vale, Golden Beach, Kenilworth, Kunda Park, Landsborough, Little Mountain, Maleny, Mount Coolom, Pelican Waters, Witta, and Woombye;
- (b) amend the zone and the Height of buildings and structures overlay for a number of specific sites relating to Educational establishments, Retirement facilities and Residential care facilities, in locations across the planning scheme area;
- (c) reduce the number of building height increments in the Height of buildings and structures overlay, which applies to the entire planning scheme area, which will result in minor changes to the applicable building height limit for certain sites; and
- (d) address other operational matters to improve the clarity and efficiency of the planning scheme.

How does the proposed amendment relate to my area?

The proposed amendment package includes a change to the maximum building height of land at 585, 615 and 617 Old Maroochydore Road and 1-13 Hobbs Road, Kunda Park (Lot 4 and Lot 5 on SP228202, Lot 6 and Lot 7 on SP228203) (the subject land) (identified in **Figure 1** over leaf).

Why is Council proposing the planning scheme amendment?

Under the *Sunshine Coast Planning Scheme 2014*, the subject land is currently included in the Medium impact industry zone and has a maximum building height of 8.5 metres on the Height of buildings and structures overlay map (as shown in **Figure 2** below).

Figure 2: Existing maximum building height

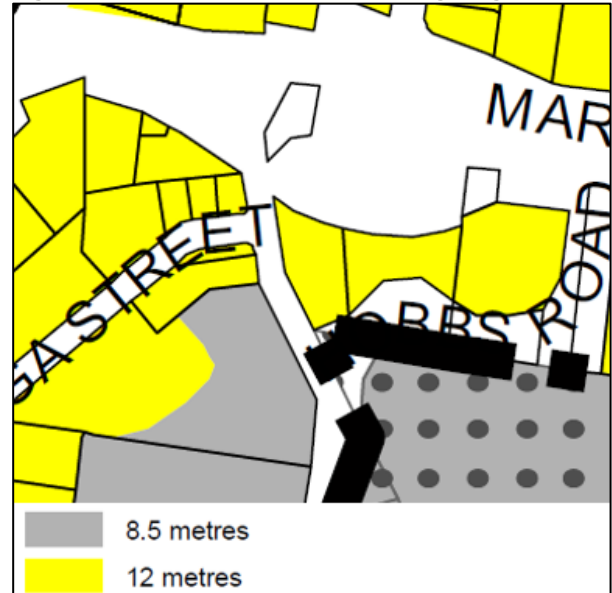

The inclusion of the subject land in the 8.5 metre maximum building height category appears to be an anomaly, considering that the adjoining land (also included in the Medium impact industry zone) has a maximum building height of 12 metres.

What are the details of the proposed amendment?

It is proposed to amend the maximum building height of the subject land from 8.5 metres to 12 metres (as shown in **Figure 3** below), to be consistent with the maximum building height of the adjoining land.
