

## 9.3.19 Sport and recreation uses code

### 9.3.19.1 Application

- (1) This code applies to assessable development identified as requiring assessment against the Sport and recreation uses code by the tables of assessment in **Part 5 (Tables of assessment)**.
- (2) All provisions in this code are assessment benchmarks for applicable assessable development.

### 9.3.19.2 Purpose and overall outcomes

- (1) The purpose of the Sport and recreation uses code is to ensure sport and recreation uses are developed in appropriate locations, meet the needs of users and protect the amenity of surrounding premises.
- (2) The purpose of the Sport and recreation uses code will be achieved through the following overall outcomes:-
  - (a) sport and recreation uses are established in appropriate locations that provide convenient access for users;
  - (b) sport and recreation uses are located and designed so as to be compatible with the preferred character of the local area;
  - (c) sport and recreation uses involving the establishment of major facilities provide high quality buildings, structures and facility design;
  - (d) sport and recreation uses do not have an adverse impact upon the amenity of existing or proposed future residential areas or neighbouring premises; and
  - (e) sport and recreation uses provide access, car parking, public transport and other services and utilities commensurate with the scale and nature of the use.

### 9.3.19.3 Performance outcomes and acceptable outcomes
