

**Mooloolaba Transport Corridor  
Upgrade (MTCU) Project**  
*Stage 1B – Walan Street, Mooloolaba*

Project number: H9272

**11 Walan Street, Mooloolaba ‘Archipelago’**  
**Monday 11 January – Thursday 14 January, 6am – 6pm**  
**Footpath construction**  
(all works weather and site conditions permitting)

As part of the final works of the Stage 1B Walan Street upgrade, the footpath adjacent to 11 Walan Street (the ‘Archipelago’ building) will be completed next week.

These works will involve the removal of some of the existing footpath, followed by excavation and concreting of the new footpath.

All businesses, along with Archipelago’s car park will remain OPEN and operational during these works.

Please see the map on **page 2** for the location of these works.

**What to expect during these works**

Nearby businesses and residents should expect intermittent medium-level construction noise throughout the day.

Signage will be in place to help direct motorists and pedestrians into and past the building.

**Pedestrian and vehicle access to 11  
Walan Street, ‘Archipelago’**

For safety reasons pedestrians will be diverted from the existing footpath to an alternate pathway and access to 11 Walan Street.

Pedestrian access will remain at all times.

Vehicle access will remain via Walan Street or Smith Street.

Please see the on-site construction staff for any pedestrian or vehicle access assistance required.

Thank you for patience and understanding during these necessary works.

**Contact the project team**

For further information, you can contact the project team on 1800 531 597 (during office hours, Monday to Friday 8.30am – 5pm) or email [mtcu@sunshinecoast.qld.gov.au](mailto:mtcu@sunshinecoast.qld.gov.au)

**11 Walan Street 'Archipelago' location of works**
