

## Mooloolaba Foreshore Revitalisation Stage 1 Northern Parkland

Project number: B-4741

### April construction update Boardwalk, viewing platform and public seating Alex Bluff Foreshore Park, Alexandra Headlands (weather and site conditions permitting)

As per our last update on 25 February 2021, construction activity remains focused on the new community boardwalk, viewing platform and public seating area adjacent to Alex Bluff Foreshore Park, Alexandra Headlands.

With the recent wet weather and more rain forecast over the coming week, the construction contractor is working hard to progress works as efficiently and safely as possible.

#### **Easter construction break Friday 2 April to Monday 5 April (inclusive)**

Construction works will cease over the Easter period. Works will recommence on Tuesday 6 April.

#### **Beach Access #168 - temporary closure from Tuesday 6 April**

Beach Access #168 and the beach shower in this area will be temporarily closed from Tuesday 6 April 2021 until mid-2021 to allow construction of the new boardwalk, viewing platform and footpath.

Onsite signage will help to redirect residents and visitors.

#### **Alex Bluff Foreshore Park - public amenities and car park**

For the community's convenience, the public amenities and car park will remain open during construction.

Please see the map on **page 2** for the location of these works.

#### **What to expect during these works?**

Construction hours will primarily be between 6.30am and 6pm, Monday – Friday, weather and site conditions permitting. Some Saturday works may be required between 7am and 1pm.

Intermittent, low-medium level noise impacts can be expected with construction machinery and vehicles on site. Temporary changes to traffic and access conditions will be in place as required.

Every effort will be made to minimise construction impacts where possible.
