

Parklands Boulevard Upgrade Meridan Plains

Project number: H1244

Night Works

Sunday 17 to Wednesday 20 January, 2021**6.30 PM – 5.30 AM***(weather and site conditions permitting)*

To progress construction of the Parklands Boulevard Upgrade as quickly and safely as possible, some night works are required. Night works also help to minimise inconvenience to motorists during peak travel periods.

We wish to advise that night works are scheduled in your area as follows:

Date: Sunday 17 to Wednesday 20 January, 2021

Time: 6:30pm to 5.30am

Where possible and safe to do so, noisier works will be scheduled between 6:30pm and midnight.

Location:

Parklands Boulevard, Sunset Drive intersection (between 7-Eleven and IRT retirement village). Refer work area map on page 2 for location details.

For: Placement of asphalt road pavement, installation of traffic light detectors and road line markings.

What to expect during these works

Traffic control and changes to traffic conditions:

Parklands Boulevard will remain open to traffic, however, changes to traffic conditions will be in place including reduced speed limits and lane closures where required. Stop-Go traffic control will be in place during these works. Motorists should expect delays of up to 15 mins.

Traffic signals at the intersection of Parklands Boulevard and Sunset Drive will be switched off. The intersection will remain open under the control of police and traffic controllers.

Audible noise: Heavy machinery will be in use and nearby residents should expect some audible noise. Reversing beepers and flashing lights are a safety requirement.

Temporary lighting: Generator powered lighting towers will be used to light work areas. Lighting is a safety requirement.

Emergency vehicle access: Emergency access will remain available to homes and businesses under the direction of traffic control.

We thank you for your patience and cooperation during these works.
