

Mooloolaba Foreshore Revitalisation Stage 1 Northern Parkland

Project number: B-4741

October Construction Update

(All works weather and site conditions permitting)

As the Northern Parkland project continues, October will see the near completion of Zone A works and the construction team moving further into Zone B.

Beach Access #168 and the beach shower at the southern end of the Headland will reopen for use on Thursday 21 October.

The permanent pedestrian pathway in Alex Bluff Foreshore Park is now open. The temporary pathway will soon be removed and turf reinstated.

Please see the diagram on page 2 for further information.

Details of October works

Zone A (upper section)

- Ongoing landscaping, turfing and planting
- Decorative stonework applied to gym stairs
- Handrails applied to gym stairs
- Installation of public seating on the viewing deck and boardwalk
- Reinstatement of the Australian War Dog Memorial and dog drinking bowl
- Installation of lighting

Zone B (lower section)

- Earthworks
- Underground service installations including water, electrical and stormwater works
- Retaining wall construction

- Footings and foundations for the new public amenities building
- Footings and foundations for the new BBQ Shelter

Construction hours will remain primarily between 6.30am and 6pm, Monday – Friday, weather and site conditions permitting. Some Saturday works will continue between 7am and 1pm.

What to expect during these works

Intermittent, low-medium level noise impacts can be expected with construction machinery and vehicles on site.

Every effort will be made to minimise construction impacts where possible.
