What are the eligibility criteria?For Queensland Government Pensioner Rate Subsidy

The pensioner applicant:

1. Must possess a current, valid qualifying concession card, namely:
 - Pensioner Concession Card issued by Centrelink or the Department of Veteran Affairs, **OR**
 - Repatriation Health (Gold) Card - (for all Conditions) issued by the Department of Veteran Affairs; and
2. Must be the owner (either solely or jointly), or be an eligible life tenant, in accordance with the guidelines for the Queensland Government Pensioner Rate Subsidy, of property within the Sunshine Coast Regional Council local government area which is their principal place of residence, AND must have (either solely or jointly with a co-owner/s), the legal responsibility for payment of rates and charges which are levied in respect of the said property by the council. In the case of joint ownership, the subsidy will apply only to the applicable rates and charges on the approved pensioners proportionate share of property ownership. Where the co-owner is a declared dependant displayed on the applicant's pension card, the declared dependant's proportionate share of property ownership is incorporated. For holders of the Repatriation Health (Gold) card issued by the Department of Veteran Affairs the co-owner defacto/spouse names are not listed on cards therefore are consequently incorporated; and
3. Must, if a 'first time' applicant, lodge and complete the prescribed application to be entitled to a Queensland Government Pensioner Rate Subsidy. The information on this application form will be used by council to verify the eligibility of all pensioners (Centrelink and Veteran Affairs pension recipients). Upon proof of eligibility, the entitlement to a subsidy will commence from either the card start date shown on the Pensioner Concession Card or the date of occupation of their principal place of residence or the start of the current rating period, whichever is the later date. Such entitlement will continue until the sale of that property or until the entitlement to a pension ceases to exist; and
4. Must, if an 'existing' applicant, lodge another application on the acquisition of a replacement property within the Sunshine Coast Regional Council local government area, OR if required by council; and
5. Pensioner Rate Subsidy will only be allowed where there is an approved habitable residence on the land which complies with the *Queensland Building Act 1975*.

For Sunshine Coast Council Pensioner Rate Concession

To qualify for additional Sunshine Coast Council Pensioner Rate Concession the ratepayer MUST ALSO qualify for the Queensland Government Pensioner Rate Subsidy. In addition to the above criteria the applicant must:

6. Have owned property within the Sunshine Coast Council region for the preceding 3 years, or for 5 of the last 10 years so long as the "gap" between ownerships in this period does not exceed 12 months. If currently not eligible and upon meeting the qualifying period of 3 years, rating concession will be applied from the start of the next rating period. Discretion may be applied in relation to contribution to the Sunshine Coast Regional Council local government area regarding continuous residency, consistent with pensioner concession arrangements as listed above. For holders of the Repatriation Health (Gold) card issued by the Department of Veteran Affairs who have been classified as Totally and Permanently Incapacitated (TPI) the three year ownership provision is waived.
