

*For Private Pneumatic Waste Infrastructure
Maroochydore City Centre Infrastructure Agreement 2017
Special Condition 7.7(a)(ii) Prescribed Waste Infrastructure Standards*

1. What is an Approved Contractor (Construction)?

The Prescribed Waste Infrastructure Standard (PWIS) stipulates that only an Approved Contractor may design, construct, install, commission, and maintain the private pneumatic waste infrastructure for the Automated Waste Collection System (AWCS). The scope of this application is for the construction/installation functions only, i.e. Approved Contractor (Construction).

An Approved Contractor (Construction) can construct and install the private pneumatic waste infrastructure for a private development. Only private pneumatic waste infrastructure constructed by an Approved Contractor (Construction) is eligible for assessment for the requisite Prescribed Waste Infrastructure Satisfaction Notice under the PWIS.

An appointment as an Approved Contractor (Construction) is not a pre-qualification to supply construction services to Sunshine Coast Council nor is it an endorsement by Sunshine Coast Council. The Approved Contractor (Construction) is a requirement of the PWIS and is in place for the success of the AWCS in the Maroochydore City Centre to ensure contractors are appropriately qualified.

Submit this Form for application to be appointed as an Approved Contractor (Construction). Note the following:

- The Applicant is to be a company or an individual and, where successful, will be the appointed party.
- Appointment as an Approved Contractor (Construction) does not guarantee the appointee will be commissioned/engaged to undertake work or that any works will be endorsed as compliant with the PWIS.
- Applicants must submit information to demonstrate that the criteria for appointment as an Approved Contractor (Construction) is met. The 'Qualifications and Endorsement Criteria' are outlined in the declaration included as Annexure A to this application. Be sure to complete your application in full and supply the documents nominated.
- Sunshine Coast Council is the Waste Infrastructure Authority for the receipt and assessment of applications for appointment as an Approved Contractor (Construction).
- If an application is successful a Notice will be issued to the applicant confirming the appointment.
- More information about the Automatic Waste Collection System can be found on council's website:

Maroochydore City Centre Infrastructure Agreement 2017
Prescribed Waste Infrastructure Standards

DECLARATION BY APPLICANT
FOR APPOINTMENT AS APPROVED CONTRACTOR (CONSTRUCTION)

I _____ [as a Director/project manager/QBCC licence nominee of
_____]
_____] certify that I/ _____ have the
[Insert Company Name and ABN, if applicable] [Deleted where inapplicable]
[Insert Company Name, if applicable]
following qualifications and endorsements:

1. AS.NZS ISO 9001:2016 (Quality management systems – requirements) certification; and
2. Demonstrated experience in works of a similar nature to the Private Pneumatic Waste Infrastructure; and
3. Achieved competency in a relevant training course provided by Envac; and
4. An appropriate class of licence from the Queensland Building and Construction Commission or I am employed or contracted by a party who holds the appropriate class of licence from the Queensland Building and Construction Commission; and
5. Appropriate qualifications in a relevant trade.
(‘the Qualifications and Endorsement Criteria’).

I acknowledge that appointment as an Approval Contractor is for a period of five (5) years from the date of appointment, **conditional upon** the appointee:

1. Continuing to satisfy the Qualifications and Endorsement Criteria for the duration of the appointment; and
2. Immediately advising Council of any change to the appointee’s eligibility to meet the Qualification and Endorsement Criteria.

I acknowledge that Council as the Waste Infrastructure Authority has the right to revoke an Approved Contractor’s appointment at any time if it reasonably believes that the Qualifications and Endorsement Criteria are not being satisfied.

- I:
1. Consent to the details of an appointment being recorded on a publicly accessible Register of Approved Contractors maintained by Council;
 2. Acknowledge that appointment to the Register of Approved Contractors in no way indicates that work undertaken as an Approved Contractor will be accepted/approved/endorsed by Council as the Waste Infrastructure Authority. Each request by a Prescribed Proponent pursuant to the Standards will be independently assessed on its merits.
 3. Acknowledge that appointment to the Register of Approved Contractor does not guarantee that the appointee will be engaged as an Approved Contractor for work. Approved Contractors are engaged at the election of a Prescribed Proponent.
