

Maroochy Arts & Ecology Centre Palm Creek Road, Tanawha

The Arts & Ecology Centre is a unique conference and workshop venue set in the beautiful Maroochy Regional Bushland Botanic Gardens on the Sunshine Coast.

This tranquil and contemporary venue offers a multipurpose room capable of seating up to 80 people, & a wet & dry workshop with capacity for 20 people. The Centre design includes informal outdoor spaces, integrating the venue with the surrounding gardens and eucalypt forest, and spaces can be furnished or unfurnished allowing for workshops and events that bring the “outside in”. The Centre features polished concrete flooring throughout.

In addition to the building itself, clients wishing to provide “break out” time as part of their event have direct access to the Botanic Gardens which feature creeks, lagoons, bush walks and of course, a myriad of native plants and wildlife. In addition, the renowned Sculpture Garden is just a short stroll from the Centre, offering a unique experience of world-class art works in a natural setting.

Located less than 5 minutes from the Bruce Highway, the Centre is surrounded by ample car and coach parking. For visitors from further afield, the Sunshine Coast Airport is located 30 minutes away at Maroochydore, providing direct flights to all major domestic destinations within Queensland and Australia.
